

7th Workshop « Spatial Econometrics and Statistics »

9-10 June 2008

Paris, France

The 7th edition of the Spatial Econometrics and Statistics Workshop is being organized in Paris by the UMR Economie Publique, INRA-AgroParisTech. This edition follows prior workshops in: Dijon (2007), Grenoble (2006), Toulouse (2005), Strasbourg (2004), Dijon (2003) and Toulouse (2002).

The aim of the workshop is to bring together economists, econometricians, statisticians, and geographers to discuss the state of the art and future challenges as well as opportunities in the fields of spatial econometrics and statistics. This workshop also aims to reinforce and encourage exchanges between senior and junior researchers involved in spatial statistics and econometrics.

Theoretical and applied studies with methodological advances in spatial econometrics/statistics are welcome. We encourage submission by junior researchers.

Completed papers or detailed abstracts (6 pages) should be submitted in pdf format by e-mail to the following address: *Spatial2008@grignon.inra.fr*. Please underline the name of the presenting author. When submitting, also indicate if you are a Ph.D. student or a young researcher (having defended a Ph.D. within the last five years).

Depending on the number and the quality of the submitted communications, a poster session may also be proposed in the program.

Submission deadline: **Feb. 15th, 2008.**

Notification of acceptance of papers: **April 15th, 2008.**

Organizers: Raja Chakir (raja.chakir@grignon.inra.fr) and Liliane Bel (Liliane.Bel@agroparistech.fr)
